

CAPTAINS INFO

2018 MDR HALIBUT DERBY

Please read the Derby Rules and Regulations. They contain start time, weigh-in times and locations, team rules, and fishing range.

Safety at sea is our chief concern. The MDRA Halibut Derby will be cancelled if a small craft advisory or more severe weather is predicted; and a drawing will be held for the MDRA Halibut Derby prizes.

Check with the National Weather Service for weather conditions; and while it is the decision of the individual boat captains to determine the safety of weather conditions, MDRA urges caution during periods of inclement weather.

- Monitor VHF Channel 72 during the Derby for boater announcements and prizes
- Additional T-shirts will be available for purchase at the weigh-in dock on Saturday June 2nd and Sunday June 3rd
- Weigh-in dock is located at the foot of Burton Chace Park on the Main Channel, between Basin-G and Basin-H
- Awards Party on Sunday, June 3rd at 4 PM -- Music, food, raffles, and cheering of winners

WEEKEND SLIPS IN MARINA DEL REY

The Transient Guest Docks at Burton Chace Park are available on a “first come first serve” basis and fill up fast. Check in on arrival with the Park Office located in Burton Chace Park Community Building, approximately 100 yards east of the guest slips.

If you want a reservation you can contact one of the other local marina harbormasters. The full list can be found here:
